Dear Friends:

It is my pleasure to congratulate all the honorees at Adelphi University's Eighteenth Annual President's Gala. The dedication, commitment, and contributions these individuals have made are exemplary.

I am proud to extend my best wishes to the honorees: the President's Award for Philanthropic Leadership recipient, the Adelphi 7; and the President's Award For Distinguished Service recipient, Nicholas Papin. The achievements these individuals have made are truly remarkable.

Since its founding in 1896, Adelphi University has prided itself on providing an outstanding education. It deserves to be commended for its positive impact on the Long Island community.

I thank you on behalf of myself and for all those who are undoubtedly better off because of your efforts. Once again, congratulations on your success.

All the best.

Sincerely,
