Adelphi University
One South Avenue
Garden City, NY 11530

Dear Friends,

Welcome to the Eighteenth Annual President's Gala.

Since its founding, Adelphi University has inspired students to pursue their dreams and equipped them with the knowledge and skills to make those dreams a reality. Tonight, we gather to recognize outstanding individuals for their support of the University and celebrate the accomplishments of distinguished faculty and talented students. Each person here has helped Adelphi further that important goal and should be very proud of their role in helping students grow and develop.

Congratulations to tonight's honorees: President's Award for Philanthropic Leadership recipient, Adelphi 7 Sisters and President's Award for Distinguished Service, Nicholas Papain. Their efforts, devotion and commitment have helped Adelphi build upon its well-earned reputation as a premier institution of higher education.

Enjoy tonight's festivities and congratulations once again for all of your good work.

Sincerely,

A handwritten signature in cursive script that reads 'Elaine Phillips'.
