Dear Friends,

It is my pleasure to welcome you to 18th Annual President's Gala. This is a tremendous night every year to support this premier academic institution right here on Long Island and its scholarships.

Adelphi University provides more than \$50 million in scholarship assistance to its students every year, with more than 5,000 undergraduates attending the university to study its wide range of programs. Adelphi is a core educational institution on Long Island, right in the heart of Nassau County, providing vital education and mentorship to thousands of students to help them thrive in their careers.

Every year, this initiative provides significant assistance toward the university's mission of making education more affordable for its students, allowing them to excel in the classroom, make professional connections, and ultimately become successful young professionals.

On behalf of my family, my team at the Comptroller's Office, and all of Nassau County, I would like to extend my sincere thanks to the team at Adelphi University that makes this event such a resounding success every year.

Congratulations and enjoy this evening's festivities.

Sincerely,
