Dear Friends,

It is my pleasure to welcome you to 18th Annual President's Gala, the primary scholarship fundraising event of Adelphi University.

Each year Adelphi University provides more than \$50 million in scholarship assistance to its students, including more than 5,000 undergraduates.

Adelphi University is a key educational institution on Long Island that provides thousands of students with the skills and experience to flourish in their careers. This annual initiative is an important effort to make education more accessible and affordable to students, including those that are from Suffolk County.

On behalf of our 1.5 million residents, I would like to extend my congratulations to this year's honorees and thank them for their support and engagement in higher education.

Congratulations and enjoy this evening's festivities.

Sincerely,
