Dear Honorees:

It gives me great pleasure to extend my sincere congratulations to Michael and Christine Tiedemann, recipients of the President's Award for Distinguished Service; and Paula Malone, Ph.D., recipient of the President's Award for Philanthropic Leadership at Adelphi University's Nineteenth Annual President's Gala.

It is indeed fitting that we take the time to honor those whose hard work and dedication have enriched our communities and inspired others to achieve their highest goals. They are role models for all to emulate. My best wishes to these fine individuals upon being accorded distinguished honors from Adelphi University.

Sincerely,
