

FROM THE OFFICE OF NEW YORK CITY COUNCIL MEMBER

FRANCISCO P. MOYA

QUEENS | DISTRICT 21

October 1, 2019

Dear Urban Health Plan,

I write to congratulate Urban Health Plan for celebrating its 45th Anniversary and say happy 90th birthday to the organization's founder, Dr. Richard Izquierdo.

Urban Health Plan has long been a trusted and invaluable neighbor. I've been fortunate to work closely with the organization to help extend vital health care and assistance to members of my community in Queens. From the South Bronx to Harlem to Corona, there are countless New Yorkers who are healthier today because of your work. UHP's commitment to providing high-quality and affordable health care — primarily in low-income neighborhoods and communities of color — is truly laudable.

Congratulations to tonight's honorees, New York State Division Human Rights Commissioner Angela Fernandez, Montefiore Medical Center, and eClinicalWorks and its founders. Too often your efforts go unsung so it's a privilege to recognize you all tonight.

Thank you and best wishes on this auspicious occasion,
