Dear Friends:

It gives me great pleasure to congratulate Urban Health Plan, Inc. as you celebrate your 45th annual gala and the 90th birthday of your esteemed founder, Dr. Richard Izquierdo. Over the years, Urban Health Plan has grown to be an indispensable community resource that has worked tirelessly to improve the quality of life for all Bronx residents. I thank the entire organization for its ongoing commitment to our community's health.

Since 1974 Urban Health Plan has worked to help residents understand the value of health and wellness and achieve personal health goals that can feel daunting given the harsh health realities our residents face. This longstanding guidance and support have played a key role in making The Bronx a healthier, more vibrant community. This along with so many efforts in our community has touched the lives of many in the 15th Congressional district and for that I thank you.

I also want to congratulate this year's honorees, NYS Human Rights Commissioner Angela Fernandez, EClinical Works and Montefiore Medical Center. Thank you for celebrating those who work to improve the lives of New Yorkers every day.

Urban Health Plan, Inc. has my sincerest appreciation and continued support. Best wishes on your continued success.

Sincerely,
